24<sup>th</sup> February 2010

Dear Parents

## Parents Social Committee

We are now well into 2010 and we thought it an appropriate time to bring you up to date with forthcoming events.

### Garden Fete – Sunday 16<sup>th</sup> May

This will have a similar format to recent years, although there will be a number of new attractions. Last year's event raised almost £4,000 for the College's nominated charity 'B.I.R.D.' This year's charity is 'Save the Family'.

If anyone would like information about having a stall at the Fete, kindly contact Michelle Ellis (07802 544435) for details.

### Summer Ball – Saturday 3<sup>rd</sup> July

Full details and arrangements for ticket purchase for this popular event, will be available in the spring. Last year's event raised £4,400 for use by the College.

Regarding the Ball, we are asking for your help in making it a success and to maximise the profit made for the benefit of the College. We are looking for various prizes to be donated for the raffle. If you can provide items such as bottles of wine and chocolates, these can be made up into hampers. Your name, or that of your company, will appear in the programme on the evening of the Ball.

We are also hoping to run a family quiz night during the summer term – watch out for further details!

Further information regarding the above events will be forwarded in due course and we hope to see as many of you as possible at these events.

Very best wishes.

Mike Eastwood  
Chairman
