DUKE OF EDINBURGH'S AWARD

The College provides pupils with the opportunity to complete Bronze (Y9), Silver (Y10) and Gold (L6/U6) Awards, meeting the requirements of the Service/Volunteering, Skills, Physical Recreation and Expedition sections for each Award. Expeditions take place for each Award at various points throughout the College year. Staff monitor pupils progress through each Award, with meetings or training sessions, both at lunchtime and after-school.

EDUCATIONAL VISITS

Pupils learn more effectively and develop a wider range of skills and deeper knowledge when they have the opportunity to do so beyond the classroom. The Educational Visits provision is broad, diverse and well planned throughout each school year for every pupil. These opportunities include frequent theatre visits and field expeditions, both regional and overseas, for history and geography, sports tours and foreign expeditions. Adventurous and team building opportunities also provide fantastic opportunities for young people at all stages of their education; seeing and experiencing their learning in action is undoubtedly a major benefit for all pupils.

MUSIC AND DRAMA

Peripatetic Music and Speech & Drama lessons are available at the College and take place during the school day with instrument or Speech & Drama specialists. Music students are prepared for exams in a range of music boards, while Speech & Drama students have the option of solo, duo or group lessons following the New Era specification, as well as ESB lessons. All lessons provide opportunities for students to develop a range of skills including self-confidence, memory and concentration.

STUDENT AGENCIES

As an educational and learning community, where individuals' initiatives, efforts, and contributions are welcomed, valued, and nurtured, the College proactively supports a variety of focused and purposeful committees, teams, and working groups, all of whom aim to maximise collective efficacy in the delivery and development of the College's stated mission and aims. Within the College, students from Years 7 to 13 are appointed each year, as a result of application and selection by staff and pupil peers, to lead a number of agencies (working groups), in line with the College's foundation values of 'Courage & Compassion' and our 3 pillars of 'Self, Service, Sustainability'. These agencies aim to drive forward a variety of development areas, currently including Sustainability, Wellbeing, Academic, House leadership, Student survey, Food and Polytunnel working groups. Meetings are arranged on an ad hoc basis, dependant upon students' availability, and advertised internally.

SPORTS FIXTURES

At Abbey Gate College we aim to combine outstanding facilities and excellent coaching to ensure first-class provision of sporting opportunities for all of our pupils. A wide range of fixtures take place after-school and at weekends in all sports and at all levels.
