- 1) **Self:** each pupil cares for their mental and physical wellbeing; learns and achieves to their individual potential; and is content, comfortable and confident to be who they are in our diverse and inclusive College.
- 2) **Service:** each pupil makes a positive difference to the lives of others in our College, as well as in our local and in wider, global communities.
- 3) **Sustainability:** each pupil contributes towards preserving and protecting the planet we all inherit and share, and has the opportunity to be creative and innovative; to help further humanity's progress in the future.
